

Howdy,

We're delighted that you're considering sponsoring Texas Linux Fest 2024. We've been having Texas Linux Fest for over 10 years and are delighted how it has grown into a gem on the Linux conference calendar. This year we are returning to Austin for the second weekend of April at the beautiful Palmer Events Center.

We are continuing with our successful formula of having a weekday session with workshops (Friday April 12th) and then a weekend day with four tracks of speakers (Saturday April 13th). Also, on Friday we have partnered with Kubernetes Community Days Texas where they'll have two tracks of K8s love. Both days we're planning to have an event space full of vendors and

community partners on the ground floor. Providing a highly visible place for sponsors to interact with attendees.

If you decide to sponsor you'd be joining the ranks of organizations that have previously sponsored TXLF like: Linux Academy, Red Hat, cPanel, Datadog, Linode, Rackspace, Google, Gitlab, HP and many others.

Texas Linux Fest 2019 (last conference before COVID19) had about 400 attendees from all over Texas and we're expecting the same number of attendees this year.

As a community run conference we are thankful to all our sponsors to ensure that we continue to keep Texas Linux Fest available at a reasonable cost to the entire Linux community. Continuing to bring new voices into the community makes it stronger and by sponsoring TXLF you can help make that happen.

Thank you,

Texas Linux Fest 2024 Staff

Track Sponsorship	\$1000
--------------------------	---------------

The Speaker track sponsorships allows you to sponsor one of the presentation rooms at Texas Linux Fest. Your logo will be placed on any signs related to the track. Additionally, prior to each presentation in your sponsored track, a short announcement will be read about your organization, products or services.

Tote Bag Insert	\$500
------------------------	--------------

Include a single item in the tote bag received by each attendee. This can also be added to any existing sponsorship for additional tote bag inserts.

Food Sponsorship	<i>Varies</i>
-------------------------	---------------

During the conference day there are opportunities for coffee, snacks and other food to be served. We're happy to work with sponsors and the venue to make these times an opportunity to promote a sponsor.
